

SEBASTIÁN GIRALDO

FRONTEND DEVELOPER

ABOUT ME

During my time in the industry, I have had the opportunity to work on a variety of exciting projects, from mobile application development to building websites and business management systems.

This has allowed me to gain a great deal of hands-on experience in different areas of programming.

WORK EXPERIENCE

FULLSTACK DEVELOPER & UI/UX

Cattleya - Sports

November 2022 - Actuality

Currently developing an Ecommerce, whose purpose is to improve the sales of the company, with online payment methods such as Stripe, Mercado Pago and PayPal.

FULLSTACK DEVELOPER & UI/UX
